FEATURED SPEAKER

HEIKE MALAKOFF

Founder and Executive Director, Check Your Boobies

A mother with three young children and no family history of breast cancer, Heike Malakoff was diagnosed with breast cancer at the age of 34. She will share how this experience changed her life and inspired her to start educating other women about breast health, breast cancer prevention and the importance of early detection in a fun and fear-free manner. The organization's philosophy is evident in its name and was inspired by Heike's then 2-year-old daughter.

SPECIAL GUEST SPEAKER

CHARLES W. DRESCHER, M.D.

Gynecologic Oncologist
